THE DEADLINES ARE APPROACHING

The organization of the 2022 ECA Canoe Marathon EUROPEAN Championships 2022 and the ECA Masters Canoe European Cup taking place in Silkeborg, Denmark in July has the pleasure to present to you the 2nd bulletin, with updated information about this major event.

We are planning an astonishing opening ceremony as well as many side events for your family and friends to take part in. In this document you will find information about the race course and facilities, accommodation, details, transport schedule, and everything to help you plan your participation.

The venue will be ready for Masters to try out the competition field Saturday July 23. Denmark is a safe destination which no longer has travel restrictions in terms of vaccination. However, do remember to make sure to check if you need a visa if you are coming from outside of the EU.

We are also making sure to have all measurements in place in terms of extra hygiene and distancing where needed.

We urge you to book your accommodation as soon as possible. The venue area is a very popular holiday destination and therefore, we have only been able to secure a limited number of rooms at each hotel. After June 6, we will have to let go of any remaining rooms and cannot promise you accommodation after this date.

Welcome to a safe and fair competition in Silkeborg, Denmark.

Best regards from,

The Organizing Committee
